LETTER OF COMPLIANCE

July 15, 2003

Mr. Anton Juric
229 Varney Rd
Center Barnstead, NH 03225

RE: File #2001-00958

Dear Mr. Juric:

On July 11, 2003, personnel from the Department of Environmental Services ("DES") received photographs of the above referenced property, more specifically referenced on Town of Barnstead Tax Map 41 as Lot 232 (the "Property"). The purpose of the photographs was to demonstrate compliance with RSA 482-A and applicable rules adopted under that statute, and specifically whether the deficiencies noted in the Letter of Deficiency issued to you on June 15, 2001, have been addressed.

After examining the photographs, it was determined that the deficiencies described in the Letter of Deficiency have been corrected. DES will close its enforcement file regarding the Property at this time. DES reserves the right to reopen this matter should additional information be received regarding additional violations on the Property.

Please be advised that further work in wetlands, waters of the state, the upland tidal buffer zone, the bank, flat, sand dune, or other areas of jurisdiction of the Department requires a posted, approved permit prior to carrying out such work.

Thank you for your assistance to bring this matter to a resolution. Should you have any questions, please contact the Wetlands Bureau at (603) 271-4062

Sincerely,
